Greetings Members,

January 6, 2020 Meetings called to order; 7:05pm 9 Members present.

- Pledge of allegiance /-Moment of silence.
- As COVID19 pandemic continues all members remained either 6' away from each other or wore masks.
- Review of previous month's minutes. Motion made & accepted. A BIG THANKS to Danny for taking some notes of the evening.
- Copies of the club's bylaws are available upon request.
- Treasures report- Review of the clubs finances. Motion made and accepted.

Discussion:

- New decals and pocket calendars are in and will be sent out as dues are collected and recorded.
- Elections of officers are tabled as we do not have quorum to hold officially.
- Al D will be making a "Hold Harmless" agreement pertaining to Covid19, for any visitors/members coming to Turkey Shoots and shoot league events. Will include: 6' social distancing; total of 20 shooters across the width of the range at any time; 1 person will run the kitchen during events along with the distribution of prizes only through the buffet window of the kitchen.

Thank you all for your patience and understanding during these times

Committee Info:

- Indoor League- Will be shooting one team a night, Tues., Wed., Thurs. to avoid crowding.
- G-A-D raffle information will be tabled till next meeting also due to lack of membership attendance.

Adjourned at 7:45pm

February 3rd MEETING – NOT ENOUGH MEMBERS PRESENT TO HOLD MEETING.

March 3, 2021 MEETING

- Called to order 7:15pm 8 members present
- Pledge of allegiance /-Moment of silence.
- Treasurer's report-Reading of finances to attending members – One note mentioned to the fact that our NYSEG bill has increased as we now have additional appliances running for the Turkey Shoots along with the furnace and freezer.

Committee Reports:

- High school Rifle League – Hoosick did not shoot this year – needed to modify the schedule for the teams whom are available to do so.
- Junior high school- Had a few extra shoots for extra practice. Hoping State will help and sponsor leagues again soon.
- Turkey Shoots- open discussion about how shoots will and are running. Talked about the cost of supplies, strings, ammo and such that may affect the turn out for shoots. We will be asking existing shooters and members their thoughts about a slight increase to each string option. Also taking into consideration the cost of ammo everyone is experiencing.
- Range repair went well this year in preparation for upcoming Turkey Shoots. Big Thank You to Lanny Bruno for the lumber material he donated for repairs.
- Essex Country Indoor league will try to begin practice on Tues March 9.
- Discussion about our web page & Facebook page and that it could use more current updates. Jhami S. has offered to help add and maintain the sites for future inquires. Thank You Jhamie.

Building & Grounds:

- Banquet room floor is still on the schedule FOR Spring 2021. We will be looking for some help when it comes time to remove the old floor tile. New shooting lines will be implemented into the newly painted floor.
- Fogger has been working greatly for the club between meeting and gatherings with indoor leagues.
- Skeet area needs a tractor to smooth out the road and trails around the shooting areas.
- Rentals- Discussion about future rentals. We are a go in being able to offer the club house and ground for rentals this 2021 season. We will ensure the club has been disinfected and cleaned between each rental.

Correspondence:

-WCS yearbook asking if we would like to have an ad in the yearbook. Motion made and accepted.

-A sincere apology for the delay in memberships getting out these first couple months, it has been a very busy beginning to 2021 for me. Membership cards and decals are out and on their way to 2021 paid members.
